## POWER

<sup>6</sup> Then they gathered around him and asked him, “Lord, are you at this time going to restore the kingdom to Israel?” <sup>7</sup> He said to them: “It is not for you to know the times or dates the Father has set by his own authority. <sup>8</sup> But you will receive *power* when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.” Acts 1:6-8

John the Baptist had acknowledged his appointment to baptize with water but that there would be another baptism, one initiated by Jesus Christ. The fulfillment of God’s baptism would be through Jesus’ sacrifice (life, death, resurrection) and as a result all who would believe or accept Jesus’ sacrifice on their behalf would receive the Holy Spirit. The Holy Spirit would be the endowment of *power* needed to accomplish God’s will for the world by way of the church (sent ones). Jesus states in Acts 1:8 “But you will receive *power* when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.” This *power* would be key to Jesus’ Great Commission; “go and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit.” Ordinary people (you and I) are able to do extraordinary things because the Spirit of God (*power*) is at work in our lives.

We, the body of Christ, so many times contend for the position of *power* as the disciples did when Jesus shared his ultimate purpose, his death for our sins. An argument started among the disciples as to which of them would be the greatest, who would have the *power*. The ministry (*power* of the Holy Spirit) is not an option; it is a must! As we continue our ministry journey together it must be understood that without the Holy Spirit, we have no *power* or chance to accomplish God’s purpose. I share with you that which was shared with me: No Holy Spirit, No *POWER*. No *POWER*, No

Witness. No Witness, No Church!

## Outstanding Volunteer for June is... Diane Lutmer

Diane and her family have been active members of Court Street for decades.

For years she has been best known as 'Ms. Diane' by the Court Street youth. Every Sunday she can be found rocking a child in the nursery. She has been on youth trips, overnights, and will run a taxi for any youth that needs a ride. Diane is known to cry with pride at every children's production. Diane truly loves kids--be it her own or those at Court Street.

Diane also volunteers on Wednesdays in the church office, that is unless she is at Wrigley Field to see her Cubs. She is a member of the Nurture committee, the Ad. Board and Chair of the Christian Education committee.

Diane will often say, "When planning for an event we will plan for one child the same way we plan for thirty". No child is ever left behind by Ms. Diane.

Diane Lutmer is truly an outstanding and loving volunteer.

## Health & Wellness *From our Parish Nurse...*

June is National Safety Month. Many members of the church have grandchildren/great grandchildren who will be visiting them this summer. Childproofing your home may need to be addressed once again. As the saying goes, an ounce of prevention is worth a pound of cure.

What are the highest risk areas for injury and accidents in our homes? According to the CDC, most accidents happen where there is water. The bathroom, kitchen, swimming pools, or hot tubs are places where young children should never be left unattended. Where there is heat or a flame, such as in the kitchen, by the fireplace, or at an outside grill, is another high risk area. Be aware of toxic substances under the kitchen sink and in the laundry room (detergent pods) or where you may keep cleaning products. Protect potentially unsafe areas by using safety locks or protective knob covers when loved ones are visiting. Kitchen counter tops or easily reached cabinets without a safety device where you may keep your medications are other high risk areas. In a purse where medications may be kept is often a place that is overlooked. Keep coin batteries or "button batteries" and any devices that contain them, like hearing aid batteries, out of the reach of children; they can be fatal if swallowed. A garage or garden shed is also a place to be checked for safety. Keep sharp tools and chemicals stored properly and out of reach. Be aware of areas where falls can happen like stairs, slippery floors, high windows, or unstable furniture. Use anchors to prevent furniture, like TVs, ranges, or dressers, from tipping over. One child is treated every 30 minutes for a TV related injury according to the American Academy of Pediatrics study.

### Devices to keep loved ones safe:

1. Safety latches and locks for cabinets to help prevent poisonings and other injuries
2. Outlet covers
3. Corner and edge bumpers to help prevent injuries from falls against sharp edges on walls, furniture, and

fireplaces

4. Knob covers, which snap over door knobs, or door locks to prevent young children from opening doors
5. Use cordless window coverings to prevent strangulation. Dangling pull cords or blinds that have an inner cord for raising the slats of the blind can be very hazardous
6. Use smoke alarms on every level of your home as well as just outside sleeping areas. Make sure to check them regularly (every month) and change the batteries yearly. Remember you can't smell smoke when you are sleeping
7. Use a carbon monoxide (CO) alarm to prevent CO poisoning

### Be prepared:

1. Keep a watchful eye on infants and children at all times.
2. Learn first-aid including CPR.
3. Keep important phone numbers in an easy to find location.
4. Practice with your loved ones a fire escape plan and where to meet outside of your home.
5. Be prepared for tornados and have a plan in place.

Book of Ages: The Life and Opinions of Jane Franklin

by Jill Lepore

@ Betty Doran's

4134 Tumbleweed Trail, LP

From one of our most accomplished and widely admired historians—a revelatory portrait of Benjamin Franklin’s youngest sister, Jane, whose obscurity and poverty were matched only by her brother’s fame and wealth but who, like him, was a passionate reader, a gifted writer, and an astonishingly shrewd political commentator.

Making use of an astonishing cache of little-studied material, including documents, objects, and portraits only just discovered, Jill Lepore brings Jane Franklin to life in a way that illuminates not only this one extraordinary woman but an entire world.

**With Memorial Day, Fathers Day, graduations, and summer activities coming up, don't forget Scrip cards!** They can be used for gifts or to purchase party foods (GFS, Woodman's, Valli, or Pinnon). Our always-on-hand cards for Lowes, Menards and Home Depot can help with needed lawn and garden supplies. Also, gas cards for Mobil and Shell are available if you plan on making road trips (much better than carrying cash). Did you know with the Schnucks card you can build up a reserve to get cash off the price per gallon at Mobil gas stations in town? A personal win for Schnuck's shoppers. Again, the Scrip committee thanks you for your continued support of the program.

## The Chimes

The United Methodist Women's mission team is planning our summer meeting. This year we are planning on going to the Angel Museum in Beloit, Wisconsin, on June 7. The cost is \$12, which includes admission to the museum, box lunch, and room rental. We will be car pooling from the church and will also use the church van. Please contact Judy Mehren (815-988-6561) or Sue Cram (779-200-7192) by May 28th if you will be attending.

**This year we come seeking your support for the NIC's 2018 Bishop Appeal for Global Migration.** As a Conference focused on mission and ministry, Bishop Dyck challenges us this year to remember our brothers and sisters around the world who are victims of the greatest global migration crisis since World War II.

An unprecedented 65.6 million people around the world have fled their homes due to violence and war, persecution, natural disasters, famines and poverty. 22 million of those are classified as refugees and over half of these are children under the age of 18. We cannot save every one of them, but we can do for one what we would like to do for all.

Please make your check out to Court Street United Methodist Church with 'Bishop's Appeal' noted in the memo. All monetary donations received by June 1, 2018, to the global migrations crisis, will be brought to the June 3rd NIC Annual Conference. Any funds received after June 1st will be forwarded to the Conference. We thank you for your generosity of prayers and support.

**Will you help us help others? We are collecting** cleaning wipes (handi-wipes - NO terry cleaning towels), dust masks, and pairs of kitchen dish-washing gloves (good for multiple uses) **in the Narthex until June 3rd.** These items will be combined with other items to create Cleaning Kits/ Flood Buckets. **We pray for your support of the 2018 Mission Challenge for the UMC Northern IL Conference.**

**Love Rockford 2018**

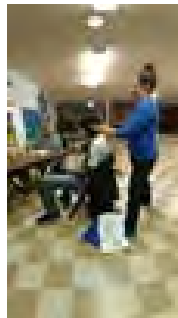

Love Rockford 2018 was the second annual social services fair presented by Emmanuel Episcopal, 2nd/1st, and Court Street UMC. Rockford residents in need received a hot meal, food to take home, clothing, haircuts, massages, and much more. Children enjoyed a demonstration by Rockford Police Department’s canine unit and lessons from Rockford firefighters on fire safety that included free fire hats and smoke detectors. Other popular children’s activities included paper crafts, a puppet show, face painting, book readings, and giveaways.

Thank you to all the volunteers that worked so hard to help make this a blessing for all involved. Love Rockford is a large undertaking using so many of each church’s resources and the families that were helped were so very appreciative.

The rough preliminary numbers are:

Income		
0-14,999	300	
15,000 & up	5	
Housing		
Housed	263	
Homeless	42	

Children under the age of 12 yrs	
Attended	25
In Household	154
Total Registrations	305
Total Attendees	376

**Jeremiah Development News**

The bulk of April was preparing for Love Rockford 2018. Thanks to all the volunteers from the SecondFirst, Emmanuel, and Court St. Churches, we were able to help families with food, clothing, entertainment, and access to services. This is a huge endeavor and utilized much of the churches resources. Jeremiah and the community are grateful to have all of you watching over all of us.

In other news, Jeremiah Gardens was the recipient of a grant from the City of Rockford’s Community Action Gardens. We are partnering with Stepping Stones, Harbor House and Jubilee Center. Clients from those agencies will work alongside our own gardeners learning the art of gardening vegetable and pollinators. They will enjoy a much needed respite from the challenges of their lives to “play in the dirt” and hopefully develop a love for gardening! Look for announcements in the bulletin for opportunities to work in the garden and help with this important ministry.
